

The floor plan shows a complex arrangement of rooms. A central corridor or hallway runs horizontally through the middle. To the left of this corridor are several rectangular rooms, some of which contain desks and chairs. To the right of the corridor, there is a large, irregularly shaped area that appears to be a common space or a large room, also containing desks and chairs. A central red-shaded area is located in the middle of the plan, possibly indicating a specific room or a point of interest. The entire plan is enclosed within a dashed red line.
